A Message From Your President!

Hello students, families and staff of CMI. I hope you're having a great day, and I always want you to remember that YOU ARE AWESOME!

Yours truly,

Yohanes Alemayehu

Student Council President

Personal Goal of the Month!

Respect is treating someone nicely and understanding someone's position, regardless of your own position. Respect could be not making fun of someone who does something wrong and instead, forgiving them. Treating someone the way you would treat your best friend or relatives.

We want to take a moment to recognize some of our students for their achievements. They will also have a special lunch (sponsored by Ms. Dill) and a gift from the treasure box.

Yours truly,

Solomon Davis

Student Council Vice President

Student Achievement Recognition!

Congratulations, Andrew and Pamela, from the student body at CMI! Andrew and Pamela were nominated by the Middle School teaching team, as the Personal Goal Students of the Month, for consistent displays of respect. Andrew models respect by following the teachers directions, when the teachers ask, the first time. Pam has modeled respect by listening to others when they are speaking, instead of having side conversations with her friends.

Congrats to Amanni and Ja'Mya, from the student body at CMI! This student was nominated the Middle School teaching team, for being the Progressing Scholar of the Month. Ja'Mya has shown progression in displaying and modeling the personal goal of respect by throwing away her trash in the lunchroom, -which proves how much she values the environment at CMI. Amani has shown progression in displaying the personal goal of respect by using a calm tone, even when faced with challenges.

Yours truly,

Eshwar Persaud, Brianna Kirk, Gianna Matthews & Lavinia Aguilar

Student Council 5th, 6th, 7th & 8th Grade Representatives

Meet The Chameleon Photographer

Justis Traver-Smith is a 5th grader at Creative Minds and one of our Chameleon Photographers, as highlighted in his capture of Student Achievement above. Justis loves football and basketball and aspires to be a professional athlete. Justis told us that his role model is his mother, because she has been through a lot and that motivates him. Justis enjoys cherishing moments, through photos, because "life is too short." His favorite subject is ELA because he enjoys reading, typing and writing, even though it can be challenging. If he wasn't human, Justis would be Batman.

Yours truly,
