Program Hours

Before Care 7:15 - 8:15 AM (PK3 through 4th grade)

After Care 3:45 - 6:00 PM (all grades)

- Middle school students choose from clubs led by the middle school team rather than enrichment groupings.
- A snack is provided daily at no additional charge.
- The program follows the CMI academic calendar, August 24, 2026 through June 11, 2027.

Monthly Tuition

You choose how many days a week your child attends, from one to five, and which specific weekdays. Staff are scheduled by day, so we need to know who is coming when. The rates below are per month.

Days per week	Before Care	After Care	Before + After
1	\$22	\$69	\$87
2	\$43	\$138	\$174
3	\$54	\$174	\$217
4	\$72	\$232	\$290
5	\$91	\$290	\$362

Five days a week is the lowest cost per day at every fee level. Enrolling in both before and after care costs less than signing up for each separately.

About these rates

- The rates above are the Standard level, which applies to families who do not receive school meal benefits.
- **Lower fee levels are available.** If your child qualifies for free or reduced-price school meals, you are placed at a lower fee level automatically. There is no separate application and no paperwork.
- If you do not qualify for meal benefits and the Standard rate would be a hardship for your family, please contact the Manager of Student Programs before deciding not to enroll. We can look at your situation.
- If you are not sure which level applies to you, just ask. We would rather help you find the right level than have you skip the program.

How Payment Works

- You pay in equal monthly installments. Every payment is the same amount, and the payments cover the entire school year, including May and June.
- Your monthly payment does not change from month to month, even though some months have more program days than others. The payments are averaged across the year.
- Fees are billed one month in advance. Each payment is due on the last Friday of the month before the month it covers.

Good to Know

- **Changing your days.** You can change how many days or which days your child attends with two weeks' written notice. The change takes effect the following month.
- **Absences are not credited.** Staff are scheduled in advance based on enrollment, so our costs do not decrease when a child is out. This works the same way tuition does.
- **Extended illness.** If your child misses five or more program days in a row and you let us know, we can look at a credit.
- **Closures.** Days the program is closed are not charged and are already excluded from the calendar. If we close unexpectedly, such as for snow, we credit that day to your next statement.
- **Extra days.** We do not offer drop-in care. If we can accommodate an occasional extra day, it is billed at your level's daily rate on the following month's statement.
- **Late payments.** A payment is late if we have not received it within 10 days of the due date.
- **If money is tight, talk to us first.** An unpaid extended day balance does not affect your child's enrollment at CMI. Contact us before a payment is missed. We can review your fee level or set up a payment arrangement.

Questions

We are happy to walk through the options with you and help you pick the schedule that works for your family.
